

To Our Canadian Members

Copart is pleased to announce a new payment method for our Canadian Members. Now you have the option of making an "electronic payment transfer" from your banks online site to the Royal Bank of Canada to pay for your vehicles. Simply have your bank electronically transfer the funds to the "Copart Canada Inc." account at the Royal Bank of Canada, 200 Bay St., Toronto, ON M5J2J5. It is very important to include your Copart Member Number when sending the funds. When the funds are sent please complete a "Buyer Wire Transfer Notification" and fax it to the Finance Dept. (707) 639-5260 or email it to Buyer.AR@Copart.com. Copart will then check on-line for your incoming electronic transfer and once it is received Copart will apply the funds to your vehicles or put it in unapplied funds. Only send one electronic transfer per Member number.

Members are advised to contact the yard at which the vehicle was sold to confirm the total amount owing in CAD.

Thank you
