

About us

AAA Auto Sales LLC offer services in buying vehicles and machinery at all auctions and dealer lots of the USA. We can help you buy, transport and ship to any destination in the world.

As a transportation broker and shipping company we offer competitive prices for transportation of your vehicle to one of our warehouses (located in Kearny, NJ or Miami, FL) and then further to the destination port.

If you wish we can make inspection of your vehicle, prepare a list of necessary [new and used auto parts](#) and also can assist in buying and shipping them along with a vehicle. We also offer dismantling of the vehicles, which provides the possibility of shipping 13-15 units in one container.

Thanks to our professionalism and knowledge we have hundreds of satisfied clients and hope to have even more !
